

# TIME TO Save a Trillium!

CALL TODAY  
613-763-1491

The market for benefits is changing with the Ontario Government proposing to implement improvements to the Ontario Trillium Drug Plan in 2017. This will have a significant impact on your benefits, to both your employees, and to you.

## What does this mean?

- The Ontario Trillium Drug Plan designated as first Payee
- Existing coverages no longer properly protect your business
- Increased premiums due to undesirable benefit plans

At ProCorp group we provide the expert advice that you deserve, the outstanding customer service that you expect, and the highest level of integrity as we work with Canada's leading providers.

Visit our website or call us today to speak to a licensed advisor and obtain your free no obligation quote, and start letting your benefits, benefit you.
